Data are Central

Inform funder reporting (process and outcomes)

Support understanding of provider challenges
and inform supports and services to address
provider pain points

Support intermediary staff and project
management

Allow documentation of
individual (provider level) and
project success and challenges

Inform replication and
expansion strategies

The screenshot displays the Microsoft Dynamics CRM interface. At the top, the navigation bar includes 'Microsoft Dynamics CRM', a menu icon, 'Sales', and 'Dashboards'. A search bar contains 'Search CRM data'. The user profile 'Mila Fens Labs Corp' is visible. The main navigation area is divided into several sections: 'My Work' (Dashboards, What's New, Activities), 'Customers' (Accounts, Contacts), 'Sales' (Leads, Opportunities, Competitors), 'Collateral' (Quotes, Orders, Invoices, Products, Sales Literature), 'Marketing' (Marketing Lists, Quick Campaigns), 'Goals' (Goals, Goal Metrics, Rollup Queries), and 'Tools' (Reports, Alerts, Calendar).

Below the navigation, a funnel chart is shown on the left, with a blue top section labeled '\$25,000.00' and an orange bottom section labeled '\$55,000.00'. To the right of the chart is a list of records under the heading 'All records | Both Auto posts User posts'. The records are:

Timeline Considerations

- March 1, 2022 – October 3, 2022
 - Six months to sign contract, build program, hire/train staff and start to take applications - no time to build a database
- Started collecting data in Excel:
 - October 3, 2022 – June 30, 2023
 - Contact Information – on-site, virtual, phone, email, topic
 - Basic Program Information
 - Basic Participant Information
 - Detailed Business Practice Outcome Information – was captured on paper assessments and later entered onto an Excel document to be uploaded into BridgeCare

Timeline Considerations

- Iowa Department of Health and Human Services gave permission to look for a vendor to build a database to meet Child Care Collaborative of Iowa's needs
- BridgeCare was selected as database vendor:
 - February 1, 2023 – Contract signed
 - July 1, 2023 – Deadline to have database live to start collecting FY24 data

Data Needs

Iowa Dept of Health and Human Services

PHLpreK

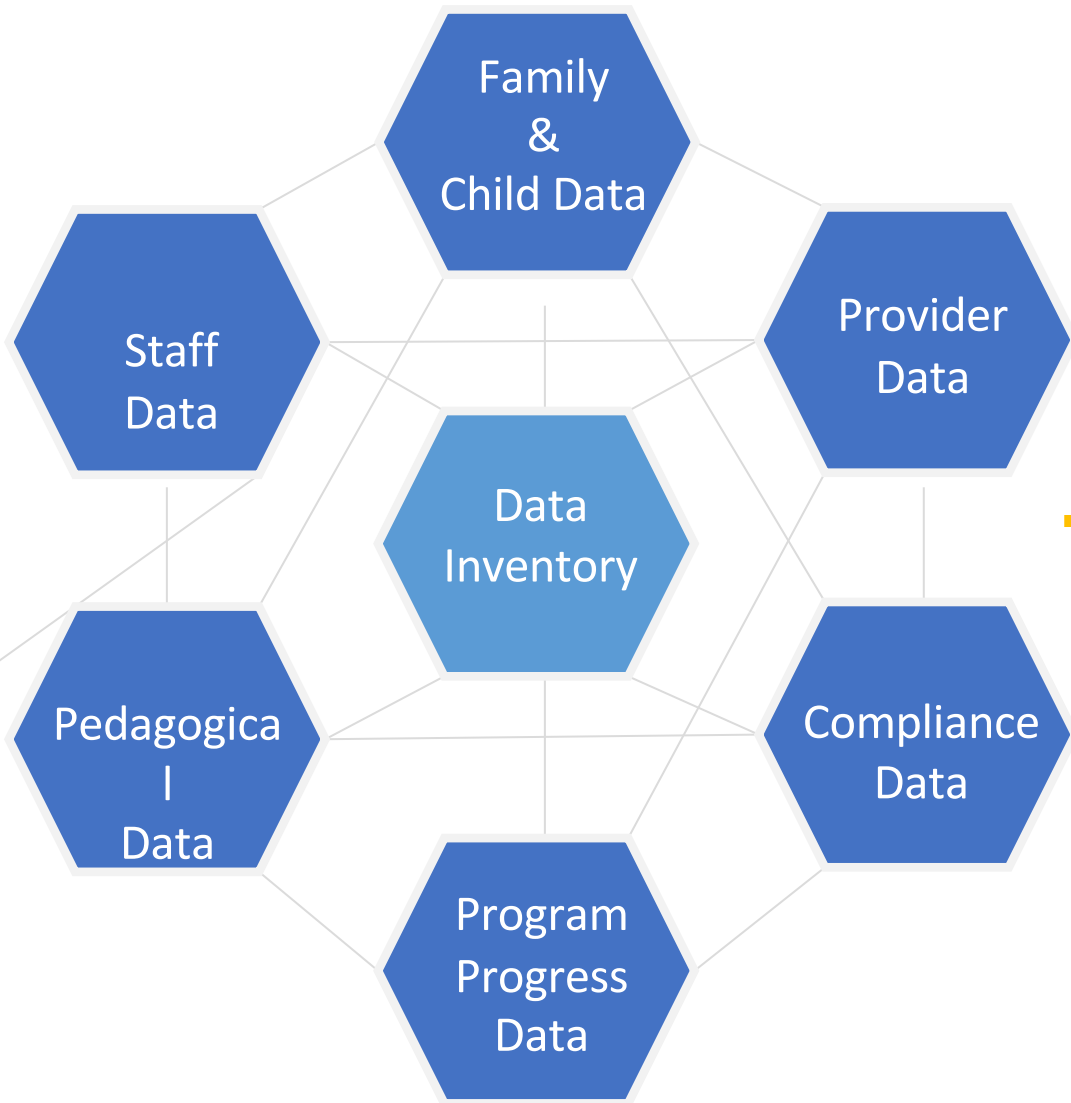

City of Philadelphia's Free, Quality, Pre-K
Program

Data Inventory-What do we need?

Finding Gaps and Overlaps – Is our data set complete?

- Data Collection Methods:
- CCMS
 - Provider Application
 - Excel Spreadsheets
 - TSG On-line
 - PD Registry

Where is each required data element being collected?

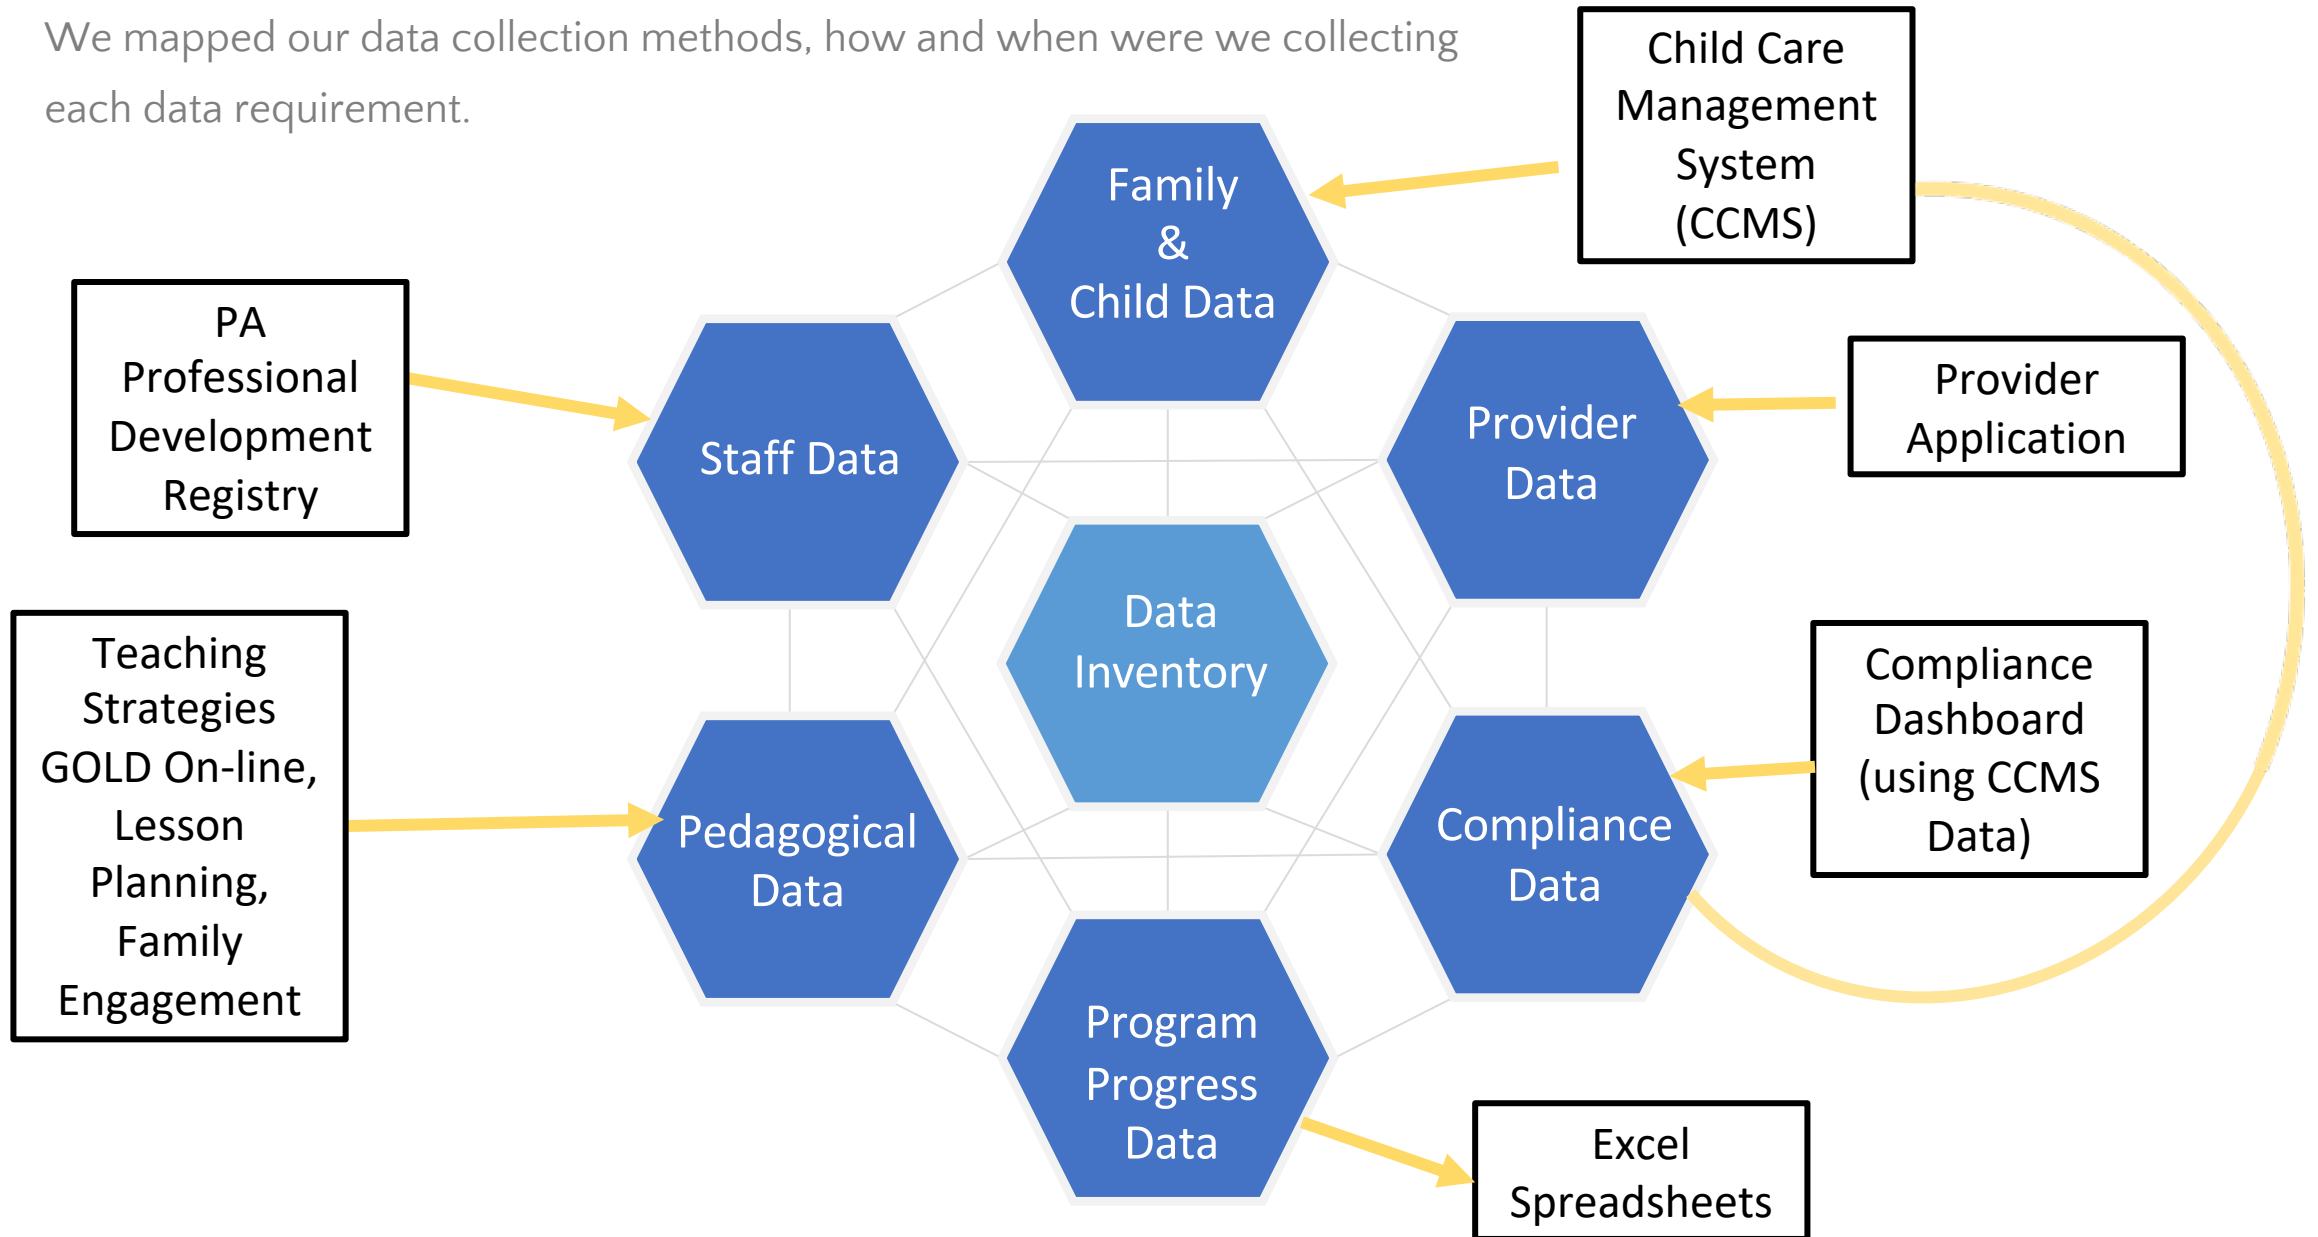

Do we trust this data source?

Do we need to add additional data collection tools or data fields?

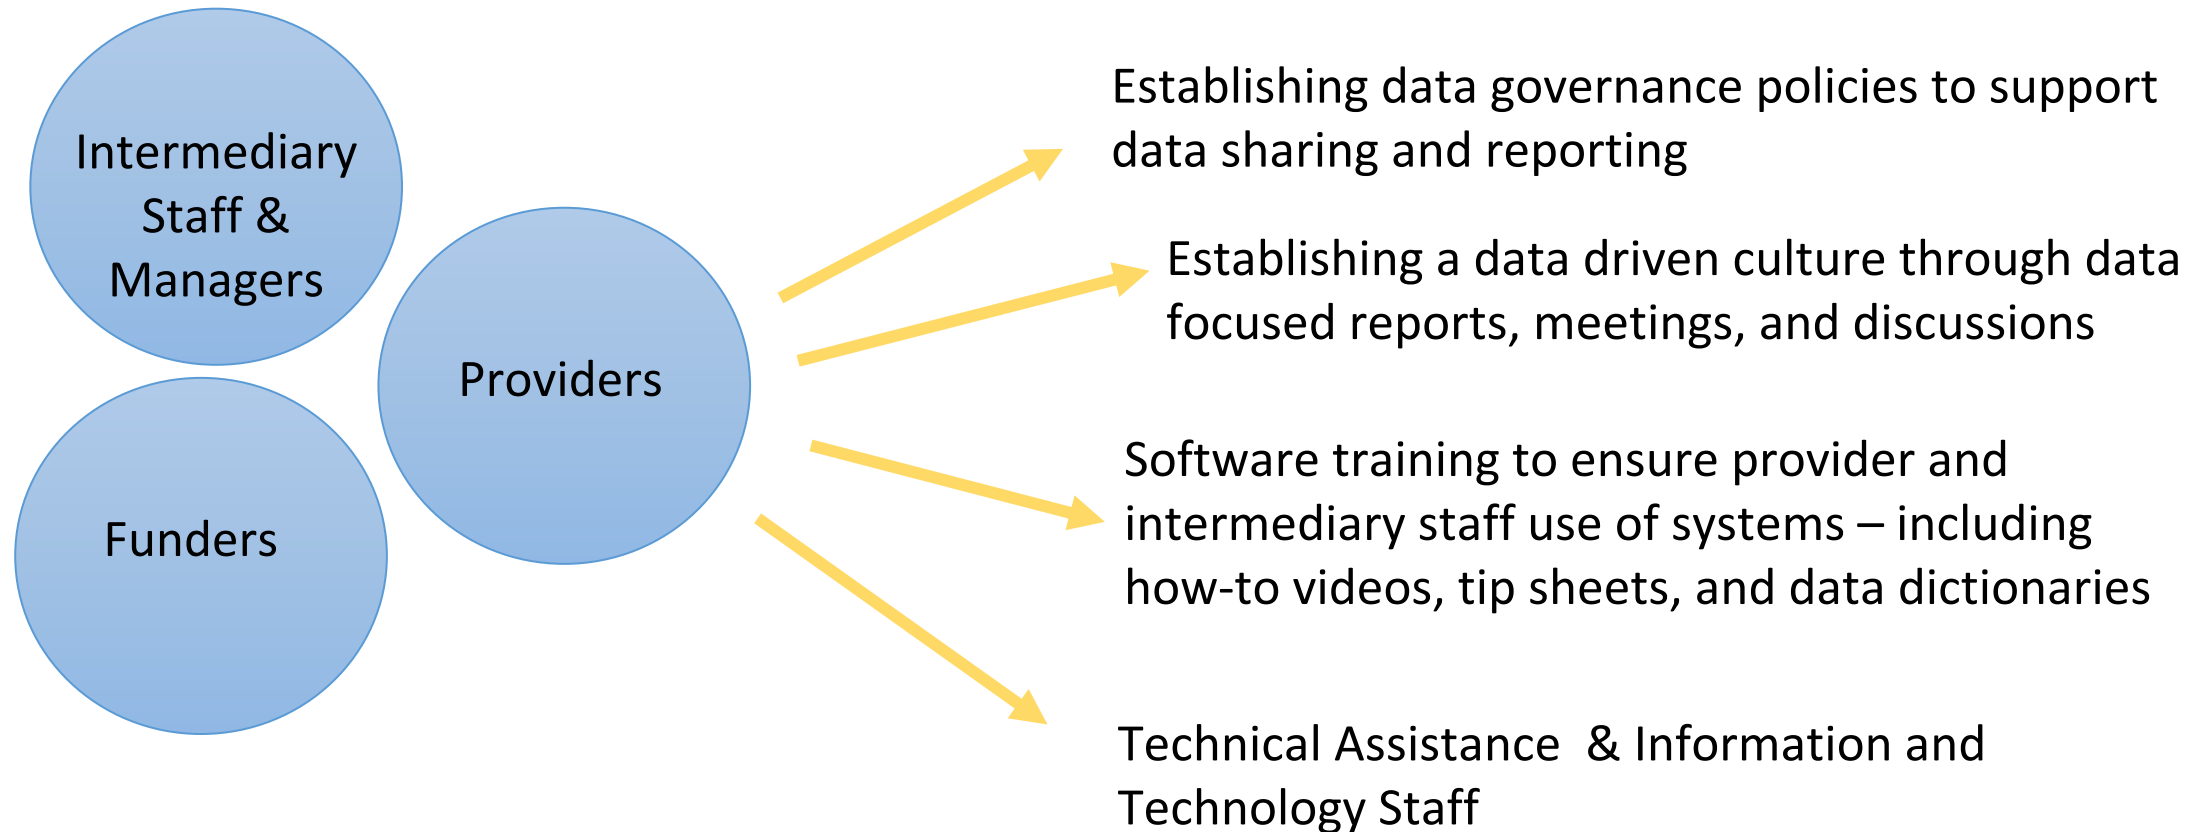

Is there overlap? Can we reduce duplicate data entry??

Data Linking – How can we easily use our data?

We mapped our data collection methods, how and when were we collecting each data requirement.

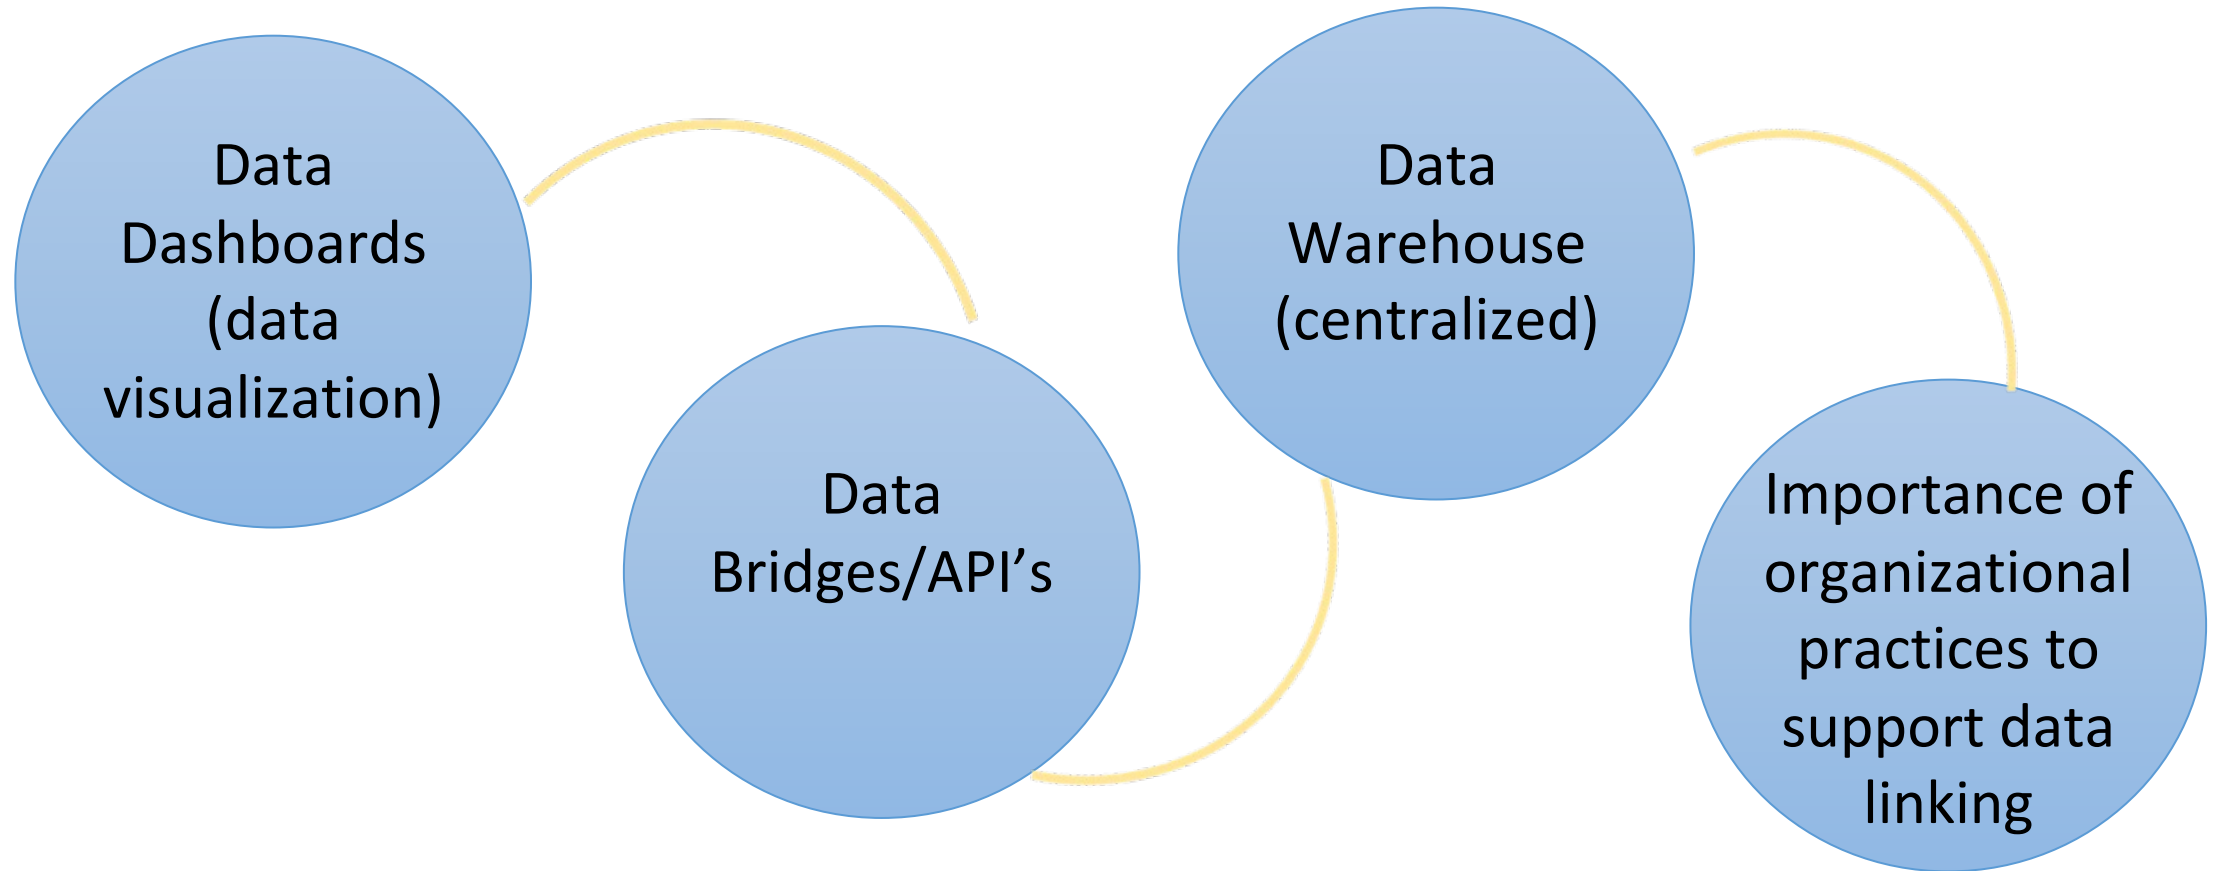

Data Literacy – How can our data give meaning?

Lesson Learned

What we learned along the way.
