

Georgia Alliance

for Quality Child Care

Budgets are tight and running a child care business has never been more challenging or time consuming. But what if you could save time and money by having a single source for buying the essential supplies and services most child care providers need?

Now you can.

Introducing The Georgia Alliance for Quality Child Care, an online resource created by Quality Care for Children to give providers easy, low-cost online access to everything from administrative services to marketing support.

Spend Less Time on Administrative Issues with

- Staff Handbook templates
- Parent Handbook templates
- Job descriptions/staff evaluations
- Interview Guide
- Budgeting tools

Spend Less Money on Items You Need

- Food vendor discounts
- Supply vendor negotiated discounts on items you use everyday
- Discount credit card fees

Use Marketing Resources to Enroll More Children
