

# The Home Network of the Pikes Peak Region

Running a Family Child Care Business on your own typically means navigating an overwhelming system (licensing, quality ratings, child outcomes, small business ownership, child assessment systems.)

Nights and weekends spent on paperwork, budgets, recordkeeping.

Limited training opportunities.

Isolation.

No support.

## The Home Network can help.

## Early Connections Central Office

### PROVIDED SUPPORTED SERVICES:

Marketing  
Enrollment

Resource Development

# 87%

of assessed preschool aged children meet or exceed school readiness milestones.

# 90%

of Family Child Care owners report overall program improvement because of their experience with the Home Network.

# 61%

of Home Network participants have attained high-quality ratings in Colorado Shines (3 to 5 Stars), as compared to 14% of non-affiliated Family Child Care owners—which means they are more than **4 times more likely to be quality-rated!**

# 100%

of Family Child Care owners established a formal plan to increase profits.

### All Leading To ...

Happier, more successful children.

Engaged families.

Better work life for Family Child Care Owners.
